### DORCHESTER JOINT HERITAGE COMMITTEE – 15<sup>TH</sup> APRIL 2025 HERITAGE TOURISM STRATEGY UPDATE

The last Tourism Partnership Meeting was held on 1 April 2025 in the Council Chamber. The meeting was very well attended, best yet! We welcomed new members from Art in Poundbury and Athelhampton House. The following issues/areas of work were discussed:

1. Poundbury representation – Cllr William Gibbons has been working to invite more Poundbury representatives onto the Tourism Partnership. Cllr Gibbons arranged a meeting for Poundbury based tourism representatives which the Tourism Partnership Officer attended. Five new members have joined the partnership mailing list as a result.
2. Spring Campaign update - The Discover Dorchester/Visit Dorset Spring Competition for a weekend in Dorchester has done incredibly well with over 5000 entries. Five new “Weekend in Dorchester” itinerary blogs have been created and shared.
3. Marketing focus for after Easter is “Dorchester as a base for your Dorset Adventure” – promoting staying in Dorchester for a week or longer and exploring the town and the rest of Dorset from here.
4. A large part of the meeting was spent reviewing the three Dorchester leaflets that the tourism partnership has produced:
  - a. Dorchester On Foot Walking Leaflet
  - b. Discover Dorchester 2024 Summer what’s on leaflet
  - c. Generic Discover Dorchester leaflet

Comments on these leaflets have been collated, and a small task and finish group of the partnership are going work on this before the next meeting.

Full notes and slides from the last meeting can be found online at: [The official tourism website for Dorchester](#)

### DORCHESTER JOINT HERITAGE COMMITTEE – 15<sup>th</sup> APRIL 2025 HERITAGE OPEN DAY 2025

1. The Committee has previously agreed that Heritage Open Day in 2025 will take place on **Sunday 21<sup>st</sup> September** – the last day of the national Heritage Open Day weekend and also within Dorset Architectural Heritage Week. It has also been agreed that the event will not include any closure of High West/East Street.
2. Based on feedback from previous events, the following initial programme of guided walks and tours of heritage sites is proposed for the Committee to consider:

3. The national theme for HOD 2025 is 'architecture – how we've designed and built the world around us'. Although this is the leading theme for the national programme, it does not need to overly influence the local event and there is a need to celebrate local history and heritage. However, the proposed programme does involve significant local buildings and further work will be undertaken in collaboration with the Dorchester Civic Society to see how access to other significant local buildings can be negotiated and incorporated into a guided tour.
4. The programme of tours will be complimented by the parking of the Hayden Princess Traction Engine in the bus stop outside Dorset Museum – permission for the use of the bus stop has kindly been given by Dorset Council.
5. It should also be noted that the event will benefit from the support from local businesses, including the Kings Arms (providing a free venue for the Roman town introductory talk) and also the new restaurant in Antelope Walk, *Seventy Four*, has agreed to allow access to the Old Oak Rooms as part of a guided tour.
6. **Budget.** The event will require a maximum budget of £2,200 with expenditure comprising the following:
  - £900 – Three free bookable tours of the stores for up to 20 people (£15 per head) and also give free entry to the Dorset Museum & Art Gallery.
  - £300 - Guided walks.
  - £250 for printing and display materials at Dorset History Centre.
  - £500 - promotional materials (posters etc).

- £500 equipment and contingency.

The Committee currently has an available budget of £20,408 for events.

7. The Committee is invited, therefore, to approve the above proposals, make suggestions for additional activities, and allocate a budget of £2,450 to the event.

## ITEM 7.

### DORCHESTER JOINT HERITAGE COMMITTEE

#### REQUEST FOR SUPPORT FROM THE FRIENDS OF DORCHESTER WEST STATION

- Background.** A national newspaper had identified Dorchester West as the worst station in Britain. As a result, the Friends Group was formed in 2010 by Wally Gundry, a former Mayor of Dorchester. At that time there was just knee high grass everywhere, no beds or tubs – just long grass. Over the years the Friends have worked hard to improve it and continue to do so, the latest project being the production of a history of the station in double royal poster size format to be put up on the station later in the year, the arrangements for which are already agreed with GWR Copy attached for information. We hope, today, it is a station of which Dorchester can be proud.
- The line from the west was brought through Dorchester to Weymouth by Isambard Kingdom Brunel and the Wiltshire, Somerset and Dorset Railway. The station itself was designed by Ritson. After the sale of the land between the station and Weymouth Avenue Bridge, the station area is as you see it today. However, the Domino Pizza building, the back of which forms part of the station, is listed as Grade 2 and the station is in a Conservation area.
- Proposal.** To have a round plaque. This year is designated as Rail200 and stations up and down the country are seeking to celebrate this in many ways. The station is run by GWR and any project the Friends may have is agreed with it prior to starting. There is nothing on the station to commemorate the opening of the station on 20 January 1857. GWR will not allow a blue plaque and have now passed a preliminary design to their Brand contractors for consideration and agreement. Like many large organisations GWR has a style guide and has signature colours with identifying pantone numbers. Their colours are GWR Corporate Green: Accent Green, Black and White and the Friends design uses these. It may be that the design will need to be worked up in detail and for our history poster we used the GWR contractor and this would involve a cost.
- What we are asking of the Heritage Committee.** To work with the Friends to provide a plaque with the Heritage Committee applying for listed buildings consent, obtaining and funding it (maximum estimated budget of £500). The stipulations from GWR are (a) that the position has to be agreed with the Station Manager based at Westbury, and this is in hand, and (b) that GWR erect the plaque and (c) they agree the design.
- Why are we asking the Committee** We hope the Committee with their expertise and knowledge will support the Friends by undertaking this challenging project which will further enhance a station which is one of the gateways to historic Dorchester.

Susan Blake, Secretary/Treasurer  
Barry Tempest, Chairman  
Friends of Dorchester West Station

### DORCHESTER JOINT HERITAGE COMMITTEE REFURBISHMENT OF COMMEMORATIVE STONE, THOMAS HARDYE GARDENS

1. A request has been received from Cllr Stella Jones for the Committee to consider supporting the refurbishment of the stone erected in the Thomas Hardy Gardens housing estate to commemorate the previous use of the site as the location of the Thomas Hardy School. The incised and painted lettering on the stone has become faded and eroded and is almost illegible. A photograph of the stone is below.

2. The stone was installed by the developers, Betterment Homes, but its ownership transferred to Dorset Council when the highway was adopted. However, Dorset Council has indicated that it does not have the resources to refurbish the eroded lettering.
3. The wording on the stone is as follows: 'This stone is set on the site of the former Thomas Hardy School since redevelopment commenced in 1996 245 new homes have been constructed by Betterment Properties (Weymouth) Ltd'.
4. A quote for the refurbishment of the letter has been requested from a reputable local stone mason and, if received in time, will be reported verbally to the Committee.
5. The Committee is invited, therefore, to allocate a budget to support the renovation of the lettering on the stone and, if agreed, the work will be commissioned by the Town Council.

Dorchester Town Council**
