**20mph Task and Finish Group Meeting Minutes**

**Minutes**  
**26 January 2026**

In attendance: Councillors S. Biles, J. Hewitt, G. Jones, D. Leaper and K. Reid

Apologies: Councillor J. Germodo

**1. Election of Chair**

It was agreed by the 20mph Task and Finish Group that Councillor S. Biles would be appointed to be the Chair of the group.

**2. Update from Dorset Council**

The Task and Finish Group noted that Dorset Council had recommended that Dorchester Town Council commission traffic speed surveys at the following locations:

- London Road
- Herringston Road
- Peverell Avenue East
- Peverell Avenue West

At the cost of **£895 + VAT** to assess the overall viability of a 20mph scheme and to determine the appropriate scale of any proposals for a 20mph scheme. The Task and Finish Group noted that Dorset Council had applied professional judgement to reduce the number of surveys needed and therefore minimise costs.

The Task and Finish Group agreed that it would be a constructive approach to commission the surveys and agreed that a request to the Planning and Environment Committee should be made for the sum of **£895 + VAT** for the surveys.

**Recommendation**

That the Planning and Environment Committee support the 20mph Task and Finish Group's request for £895 + VAT to commission the traffic speed surveys.

**3. Community Speed Watch**

On the advice of Dorset Council, the Committee agreed that it would be advantageous to explore the process of setting up a Community Speedwatch group. It was agreed that the Clerk to the Planning and Environment Committee would approach the Dorset Road Safe Team for further information.

The Task and Finish Group agreed that it would also be helpful if the Clerk to the Planning and Environment Committee contact the local schools to make them aware of Dorset Council's process to notify them of small collisions or near misses to help them to target road improvements.

#### **4. Public Engagement**

The Task and Finish Group welcomed the offer of support from the Dorchester Transport Action Group (DTAG). It noted Dorset Council's advice to wait for the survey results before beginning local engagement and expressed hope to meet with DTAG in due course.
